The median paying firm spends €56 a month, less than a single ad.

€56

median monthly spend

METHOD

How we did it

The sample

628 small firms, read for Small Firms and AI H1 2026. Example data, made up for the mockup.

The method

A panel of Irish firms with under 50 staff, by county and sector, asked what they use and what they pay.

The check

Vera checked every number against the source before it went on the page.

What is free

Every finding and figure. Every finding and every figure on this page, no form.
