500 ads scored blind, Q4 2025.

What we found

3 findings, each one a section

01

41%

branded in the first two seconds

205 of 500 ads show the brand in the first two seconds, so most of the money buys attention for nobody in particular.

[Read it →](#)

02

29%

of AI-made ads do

AI-made ads manage it 29% of the time. The tool is not the problem; the brief is.

FINDING 1

205 of 500 ads show the brand in the first two seconds, so most of the money buys attention for nobody in particular.

FINDING 2

AI-made ads manage it 29% of the time. The tool is not the problem; the brief is.

FINDING 3

180 ads use a distinctive asset at all, which is where the cheapest gains are.

36%

use a distinctive asset · 180 of 500

How we did it

The sample

500 ads, read for The Creative Audit Q4 2025. Example data, made up for the mockup.

The method

A sample of Irish ads scored for distinctive assets, branding in the first two seconds and one clear message, blind to who made them.

The check

Vera checked every number against the source before it went on the page.

What is free
