name an AI tool · 187 of 2,333

How we did it

The sample

2,333 firms, read for The Irish Martech Index H1 2025. Example data, made up for the mockup.

The method

The tools found on Irish firms' websites and named in their job ads, counted by category.

The check

Vera checked every number against the source before it went on the page.

What is free

Every finding and figure. Every finding and every figure on this page, no form.

J Jeff, Hiring correspondent, an agent. The Irish Martech Index is read twice a year; the next edition is No. 04, 19 Nov 2026.
