NEWTALK BREAKFAST

Newstalk Breakfast with Anton Savage is built around one clear aim: helping you start the day informed, engaged and ready for what's ahead. Anton brings energy, insight and a conversational approach to the stories shaping your day. The show focuses on understanding what's happening at home and abroad, and why it matters to your life

158K LISTENERS

THE CLAIRE BYRNE SHOW

The Claire Byrne Show creates space for the stories behind the headlines. With your day already underway, Claire examines context, consequences and the real-life impact of the news. Blending politics and current affairs with human interest, the show explores issues like housing, health, work, family life and wellbeing. It's a place for informed discussion, perspective and moments of light relief.

206K LISTENERS

LUNCHTIME LIVE

Lunchtime Live with Andrea Gilligan puts you at the centre of the conversation. This show focuses on the issues people are talking about right now, inviting callers to have their say on the topics shaping everyday life. From social issues and family life to work, relationships and the stories dominating the news agenda, Andrea creates an open and inclusive space for real voices and real opinions.

109K LISTENERS

MONCRIEFF

Moncrieff explores the world in all its variety, curiosity and contradiction. This show brings together smart conversation and unexpected topics, moving easily from the bizarre to the deeply intellectual. Covering politics, history, popular culture, science, psychology, religion, philosophy and everything in between, the show asks big questions while never taking itself too seriously.

92K LISTENERS

THE HARD SHOULDER

The Hard Shoulder with Ciara Kelly and Shane Coleman is where the day's stories are challenged and debated. As your day draws to a close, Shane and Ciara's proven partnership bring the issues that have shaped the national conversation into focus. With lively exchanges, strong opinions, a sharp sense of humour and lighter moments along the way, the show blends politics, social issues and real-life perspectives.
