FINDING 2

AI-made ads manage it 38.9% of the time. The tool is not the problem; the brief is.

FINDING 3

185 ads use a distinctive asset at all, which is where the cheapest gains are.

37.1%

use a distinctive asset · 185 of 499

How we did it

The sample

499 ads, read for The Creative Audit Q3 2026. Example data, made up for the mockup.

The method

A sample of Irish ads scored for distinctive assets, branding in the first two seconds and one clear message, blind to who made them.

The check

Vera checked every number against the source before it went on the page.
